Brief information:

I'm 19 years old. I was born and raised in Hrodna (Belarus). I graduated with honors from the gymnasium and after passing the centralized testing entered Minsk. At the moment I'm a student of BSUIR in Minsk. Now my goal is to become a Front-End Developer.

Skills:

- HTML/CSS
- C++
- JavaScript
- Git
- Java

Example of code:

```
function isPalindrome(line) {  
  line = String(line);  
  let l = line.length;  
  for(let i = 0; i < l; i++){  
    if( line[i] != line[l - 1]) return false;  
    else l--;  
  }  
  return true;  
}
```
